General guideline for Peer Review process:

This journal’s peer review policy states that NO manuscript should be rejected only on the basis of ‘lack of Novelty’, provided the manuscript is scientifically robust and technically sound.
To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

| **Compulsory REVISION comments** | Abstract: 20 poultry farmers were...  
L17 and 18: please use current data  
L18-22: please re-construct the sentences.  
L24: could you please provide a reference that confirms that chicken is the cheapest.  
L24 and 25: if chicken is the cheapest, how come the people in the said environment could not afford it?  
L59: Osun State  
L60: what do you mean by ‘Multi-Stagesampling’  
L62: Purposive sampling  

Please state in your materials and methods what type of poultry production you worked on (egg or meat).  
What is the size of the flocks you considered?  
What tools did you use for the interview? How did you ensure that the questions you asked the respondents were the same?  
How did you avoid being bias in your approach?  
What is the objective of this study? It is not clearly stated in the introduction as expected.  
Please let your reference style align with the journal’s style.  
I expected to see the demographic information of the respondents.  
Please let your conclusion be based on what you found out as it relates to your objectives. |
| **Minor REVISION comments** |  |
