EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<ol style="list-style-type: none">1. There are still some lack of some remarks and text structures in terms of scientific paper.2. What are cost or additional labor and costs in use of biofertilizers.3. There is no an appropriate a flow and links of topics addressed to biofertilizers and increasing yield and quality.	<p>Sir, I have corrected in all extent possible. This is areview so costs involved can be given interms of review only. So, i have given like that.</p>
