

Editor's Comment:

I have taken my time to read through the manuscript number 2018/SAJRM/46582 and the review evaluation and comments. I have also read through the feedback forms and the final re-review comments.

The author has corrected all the pointed corrections in the manuscript.

I therefore recommend that Manuscript number 2018/SAJRM/46582

Manuscript Title: " ISOLATION OF MULTIDRUG RESISTANT BACTERIAL PATHOGENS FROM HUMAN HAIR OBTAINED FROM BARBING SALONS LOCATED WITHIN BENIN CITY, NIGERIA." be accepted for publication.
