Editor's Decision: Revisions needed.

Overall comments:

The results and discussion portion need to reorganize again in a concise format. References portion need to enrich more. The author(s) must avoid grammatical mistakes.

Specific comments:**Title:**

1. Please check the spelling;
2. It will be better if the word 'Motives' could be altered with another suitable word that be matched with the objectives and results of the manuscript.

Abstract:

1. There are some ill presentation in conjunctions and phrases. Linguistic patterns need to revise very seriously;
2. Abstract is quite large and junked to understand at a glance.

Introduction:

1. There are some grammatical mistakes, spelling error, and space missing.

Methods and Methodology

1. Good and appreciable methodology;
2. Sample size is not properly represented the population size.

Results and Discussion

1. Subhead numberings and titles are burdensome here;
2. Too much descriptive. Contents need to revise and make it concise.

References

1. References are not too rich;
2. Not followed similar format at all.
